Our Values

Belonging

Our school is warm, welcoming, friendly and safe. We are passionate about inclusion for all. All members of HBN play a vital part in creating success.

Integrity

We respect each other. We are honest, reliable and work hard, expecting others to be the same.

Positivity

Learning at HBN is fun and staff and pupils are happy to be here. We make the most of each day, seize opportunities, see the good in those around us and promote aspiration in all areas of learning.

Kindness

We treat each other and our environment with care and kindness. We aim to make people feel better, not worse, and help each other manage stress.

Togetherness

We are a supportive team and trust each other to work together for the benefit of our pupils.
