

### Writing challenge - Mix it up!

Make a list of characters, locations (settings) and props from 5 books you own or have read.

For example, Little Red Riding Hood, Big Bad Wolf, Grandma, Woods, Cabin, Basket, Glasses etc.

Cut them in to slips and jumble them in a cup.  
Pull out four strips.

**Hot:** Create a comic with a new story using your slips.

**Spicy:** Try writing a new story with the slips you have picked!

**Extra Spicy:** Use more strips and. create your own extra characters as well!

### Design your own three course meal.

**Extra Spicy** - do two options for each.

You may want to look up menu's on the internet for ideas.

Make sure you use lots of adjectives to make your dishes sound delicious!

You can draw pictures as well. If you are lucky enough to be able to make any of dishes take some photos!

### Mini- Write

Imagine you have found an alien.

What would you do with the alien?

Where would you go?

Can you and the alien communicate with each other? How?

Write about the adventures you could have together!

Don't forget - capital letters, full stops, exclamation marks, speech marks and use lots of description! :)

## Amazing Facts about the Human Body!

- Your heart beats around one hundred thousand times per day. This means that in one year it has pumped around three million litres of blood around your body.
- Your nose can tell the difference between one trillion different smells.
- The acid inside your stomach that helps you to digest food can actually dissolve metal.
- The smallest bone in the human body can be found inside the ear. It is called the stapes (or stirrup) bone and it is only around three millimetres long.
- Your nose and ears continue growing throughout your entire life.
- As well as having unique finger prints, all humans also have unique tongue prints!

After you have read the facts try and answer the questions below. You might need help from an adult reading some of the tricky words.

1. What do you think the word 'unique' means?
2. What are the two names for the smallest bone in the human body?
3. Give one reason why the author may have chosen to use bullet points to present this information.
4. Why do you think the author chose these particular facts?

Choose one spelling list. Have somebody test you on Monday and Friday!
