I really enjoyed year 6 because we were given more independence. I really enjoyed that we moved between different classes for our learning - it really helped us get ready for moving around at high school.

My favourite subject is ICT because I enjoyed learning about coding and making voiceover movies.

My favourite thing I learnt about was Planet Earth. It was really interesting finding out about all the animals and watching the video clips about them, My favourite memory of year 6 was junior achievement. I really enjoyed learning about businesses and setting up my own pretend one.

In year 6, I am most proud of achieving my orange swimming certificate. I am also proud that my writing level has gone up too.

When I move to high school, I want to get better at maths because sometimes I struggle with remembering the different strategies.

When I grow up I want to be a nurse. I've learnt during coronavirus how important they are and how much they help people - I'd like to do the too,

What I will miss most about HBN is my amazing teachers Miss Gibson, Mrs Dugdale and Miss Ellison - they're the best!
