

## Literacy

**Genre Focus:** Story retell and story writing.

### **Main learning objectives:**

- I can retell a story verbally and with actions.
- I can use a title.
- I can write an opening sentence.
- I can order my story accurately.
- I can include adjectives and detail.

### **Context/hooks/reasons to write:**

-Videos from Literacy Shed including past John Lewis adverts to watch and retell using Talk for Writing principles.

## Numeracy

**Focus areas:** addition & subtraction. Money. Statistics.

### **Main learning objectives:**

- I can recall and use addition and subtraction facts up to 20 and derive and use related facts up to 100.
- I can add and subtract numbers mentally.
- I can show that addition of two numbers can be done in any order.
- I can recognise the inverse (opposite) relationship between addition & subtraction.
- I can recognise and use symbols for pound and pence.
- I can find different combinations of coins that equal the same amount of money.
- I can interpret and construct pictograms, tally charts, block diagrams and simple tables.
- I can answer questions about the statistics.

## Science

**Main learning objectives:** Scientific Enquiry

- I can discuss how a state of a material can change and if the change is reversible or irreversible (e.g. freezing and melting).
- I can ask questions.
- I can make observations.
- I can discuss how to make a fair test.
- I can make predictions.
- I can talk about my work/findings.
- I can record findings on a table or chart.

# Year 2 MTP Autumn 2 Let it Snow!

### Key dates or events

- Beach Buddies 2nd Nov.
- Christmas play.
- Christmas Craft fair.

### Pupil voice:

-Adapt planning according to children's enjoyment of parts of the story.  
-Lead Science investigations based on questions asked.

## Art & DT

### **Main learning objectives:**

- I can collage materials.
- I can cut, tear and layer.
- I can explore with a range of materials.

### Music

### **Main learning objectives:**

- I can learn songs and perform using my voice
- I can identify change in pitch.
- I can explore the above using instruments including my voice.

## RE

### **Main learning objectives:**

- I can discuss religious celebrations.
- I can retell the story of Christmas.
- I can talk about how and why Christians celebrate Christmas.

## PSHE

**Jigsaw unit - Relationships**

### **Main learning objectives:**

- I know of ways to make friends.
- I understand that everyone's families are different and can respect that.
- I can work cooperatively with others.
- I can understand how working with other people can help me to learn.
- I can discuss how I can resolve conflict with friends.

## ICT

### **Main learning objectives:**

- I can type using a laptop keyboard.
- To format text, changing fonts, sizes of fonts, etc.
- To combine text with images/drawings/shapes
- To search the web effectively for suitable images to use in their work.
- 

**PE - Key area (s):** Games - hand eye coordination

### **Main learning objectives:**

- I can throw a ball under arm.
- I can roll a ball or a hoop.
- I can hit a ball with a bat.
- I can move and stop.
- I can move to catch or collect.
- I can throw and kick a ball in different ways.
- I can decide where to stand to make a game difficult for the others team.

## Geography/History

### **Main learning objectives:**

- I know about things that happened in the past.
- I can use words such as now, yesterday, last week, a long time ago etc.
- I can discuss historical events.
- I can share facts about a significant person from history.

You can choose any of these home learning challenges and present them how you wish in your Learning Log.

There will be an opportunity to share your learning with your class each week.

### Literacy

- I Can write a Christmas letter to Santa
- I can write a shopping list for a Christmas dinner
- I can write facts about Christmas
- I can write facts about winter.
- I can read winter stories or poems.
- I can write a winter poem

### Topic

- I can design a 'guy' for the Douglas city fireworks display competition on Friday 3rd November.
- I can create a fireworks picture or piece of art.
- I can choose a significant historical figure to research and talk about them.
- I can draw pictures of the celebrations we have in my home.

# Let it Snow!

### Art/D&T

- I can make a gingerbread man paper chain
- I can make a Christmas tree decoration
- I can make a paper plate Santa or Rudolph
- I can cut out snow stars
- I can design a Christmas jumper.
- I can make reindeer food
- I can make home made wrapping paper.
- I can draw a winter picture
- I can design a winter hat.
- I can design winter mittens.

### Science

- I can select a learning activity or experiment based on winter and complete it <https://www.sciencebuddies.org/blog/winter-science> / <https://littlebinsforlittlehands.com/winter-science-ideas-kids/>
- I can find out how winter effects animals.
- I can observe how winter effects plants and draw my observations.
- I can change a liquid into a solid through freezing (e.g. ice lollies / jelly / ice cubes)
- I can change a solid into a liquid through melting (e.g melting chocolate / melting ice)

### Numeracy

- I can develop my number bonds to 10 and 20.
- I can help work out totals and change when I am shopping with my family.
- I can use coins to pay for purchases.
- I can help with baking at home and use measuring equipment accurately.
- I can make gingerbread men.
- I can create a tally chart by asking the people in my family questions such as their favourite breakfast food or colour.
