

Literacy

Genre Focus:

Narrative - to write an adventure story

Main learning objectives: accurate punctuation and capitals, exciting vocabulary, vary sentence openers and applying phonics to spelling

Context to write: to follow the book of 'The Jungle Book', and to write an adventure story using this as inspiration. There will be other activities along the way too, including information texts and a recount of the school trio..

Activities to be on weekly plan.

Numeracy

Focus areas:

Number - place value

Main learning objectives:

Number - identify, represent and estimate numbers, finding 10 and 100 more or less than any given number, recognise place value of each digit in 4 digit number, compare and order up to 1000, read and write numbers up to 1000, multiply and divide by 10 and 100.

Activities to be on weekly plan.

Science

Main learning objectives:

Plants and animals.

Identify factors/variables when planning an investigation, to describe difference and characteristics of plants and animals, to make relevant observations, I can record findings in a variety of ways, to describe the differences and similarities between living and non living things, to explain changes in living things, to talk about ways animals are suited to their environment.

Activity ideas, to include reference to investigations:

- Plant investigation
- Learning about jungle animals and how they are suited to their habitats
- To explore what plant/animals need to stay alive
- Research and present facts about an animal of choice
- Plant dissection to explore parts of a plant

Year 3 Autumn Term 2023/24 Topic - Jungle Fever

Visits to the Wildlife Park, visits to the local library to enhance love of reading.

Key days:

Monday - PE kit.

Tuesday - swimming kit and forest school kit.

Art & DT

Main learning objectives:

- to use a number of sketches to base work on.
- to sketch lightly.
- to annotate sketches to explain ideas.

Activity ideas:

To take part in step by step jungle themed sketching, to develop confidence when sketching based from another piece of work, to use colours to enhance art work

RE

Main learning objectives:

- To learn about advent and christianity.
- To explore what is advent and Christmas?
- Learn about the preparation for the birth of Jesus.
- Explore what pilgrimage means and why people make special journeys.
- Learn about Bethlehem and prophets.

Activity ideas:

- Research about what christianity is.
- Compare differences and similarities between another religion and christianity.

PSHE

Jigsaw unit - Understanding me

Main learning objectives:

- I can give and receive compliments
- I can evaluate my own learning and identify how to make it better for next time
- I can express how being anxious or scared feels
- I can be a good role model
- I make others feel welcome

Activities to come from Jigsaw file.

ICT

Main learning objectives:

- to can combine texts and images, drawings and shapes.
- to show an ability to use shift key rather than caps lock
- I can save my work to the cloud.

Activity ideas:

- Logging on and off, and saving work on different applications (cloud, TEAMS, TT Rockstars, EdShed, Mathletics).
- Password safety.
- Exploring using apps such as pages to develop IT skills.

PE - Key area - Balance & Co-Ordination

Main learning objectives:

- To maintain controlled body position during both static (stationary positions like freezing) and dynamic tasks (moving such as running).
- I can refine my movements into sequences

Activity ideas:

- Any activities that include movements encouraging stability and locomotion such as turning, twisting, freezing, landing, pivoting, running, skipping, galloping, bounding and hopping.
- To create, remember and perform a dance to themed music.

*Swimming lessons will focus on improving water confidence and ability.

Geography

Main learning objectives:

- I can locate the equator and know what it is.
- I can locate the continents of the world.
- I can discuss what makes a rainforest and locate them on a map.

Activity ideas:

- Use a map to explore what countries are in each continent
- Explore google maps to see areas of the world
